vomFASS Gourmet Gift Basket

3rd Day of Christmas
December 14, 2016

The custom gourmet gift basket will contain rare vomFASS olive oils, combined with a fine balsamic vinegar, pasta and other gourmet items.

In addition to the unique selection of the finest artisanal oils and vinegars, the flagship vomFASS store in The Woodlands also carries an outstanding collection of the finest Clase Azul tequilas, as well as brandies, cognacs, grappas, Irish single malt whiskies, Scotch, absinthes and liqueurs available anywhere in the United States.

vomFASS oils and vinegars are made in small batches by small local European farms and offered exclusively to vomFASS through longstanding relationships. vomFASS produces the award-winning fruit vinegars sold in the store, in the beautiful Upper Swabia region of Germany, near the Alps. .
